

## Classical Period (1750 - 1820) Report Grading Rubric: 50 points total

**Be Careful!** The term 'Classical Music' is one that has been given to ALL 'serious' music. This report should not be about "Classical Music", but only about the "Classical Style Period" (1750-1820).

**Also!** There is another time period called "Classical Antiquity" referring to ancient Greece and Rome (800 BC to 600 AD). **The founding of Rome and the death of Alexander the Great are NOT from the Classical Music Era. Homer and Virgil are NOT authors during 1750-1820!**

|                       | 7 points                                                                                                     | 4 points                                                                                  | 1 point                                                                 | 0 points                                                                     |
|-----------------------|--------------------------------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------------|-------------------------------------------------------------------------|------------------------------------------------------------------------------|
| <b>Time Period</b>    | Information contained in presentation was of correct time period                                             |                                                                                           |                                                                         | Information presented was NOT in the specified time period                   |
| <b>History</b>        | An accurate list of at least 10 historical events are presented                                              | An accurate list of at least 5 historical events are listed                               | Only the events in the course content are listed                        | No (or incorrect) historical events are presented                            |
| <b>Art</b>            | A list of at least 5 artists of the period are listed WITH at least 1 example of their art is presented      | A list of at least 5 artists of the period are listed and some art examples are presented | Only the artists in the course content are listed                       | Less than 5 (or incorrect) artists are presented                             |
| <b>Architecture</b>   | A correct list of architectural characteristics of the period are listed AND at least 1 example is presented | A correct list of architectural characteristics of the period are listed.                 | Only the architectural characteristics in the course content are listed | No (or incorrect) information about architectural characteristics are listed |
| <b>Literature</b>     | A list of at least 3 authors of the period are listed WITH at least 1 book title per author is presented     | A list of at least 3 authors of the period are listed, but no book titles are presented   | Only the authors in the course content are listed                       | Less than 3 (or incorrect) authors are presented                             |
| <b>Writing Skills</b> | Paper is grammatically correct, formatted well, and all words spelled correctly                              | A few grammatical errors                                                                  | Many grammatical errors                                                 | Most of the report is grammatically incorrect                                |
| <b>Content</b>        | Report is interesting and informative, and at least 150 words in length                                      | Report is not boring and at least 100 words in length                                     | Report is un-interesting and shorter than 100 words in length           | Report less than 50 words in length                                          |
| <b>On time</b>        |                                                                                                              |                                                                                           | Report turned in on or before due date                                  | Report turned in late                                                        |
